7Cs SCHOOL

Words that Shaped a Nation

Development is being sought in every walk of life and you have to take on this process of development. Are you preparing to take on tomorrow's responsibilities?

Are you building your capacity? Are you trained enough? If no, then go and prepare yourself because this is the time to prepare yourself for future responsibilities.

Quaid-e-Azam Muhammad Ali Jinnah
Addressing Students at Islamia College, Peshawar
12th April, 1948.

7Cs SCHOOL

Inculcating 7 Core Personality Traits

At 7Cs School, our mission is to nurture confident, capable youth who face life's complexities with resilience and purpose. True success goes beyond academics, focusing on essential life skills and values. Guided by seven core traits: Character, Care, Commitment, Competence, Confidence, Creativity, and Collaboration - we create a supportive environment where students thrive as responsible global citizens, ready to impact their communities and the world.

01 CHARACTER

02 CARE

03 COMMITMENT

04 COMPETENCE

05 CONFIDENCE

06 CREATIVITY

07 COLLABORATION

7Cs SCHOOL

Chief Executive's Message

Pakistan's future will be shaped not only by the knowledge our younger generations acquire, but also by the values, character and conviction they bring to the world.

At KIPS Education System, we believe education must unite academic excellence with strong values, character development and a sense of personal responsibility, developing individuals who can contribute with integrity, confidence and global competence.

This vision inspired the establishment of 7Cs School, where seven core personality development traits complement academic learning to shape well-rounded, responsible and future-ready citizens.

Our ambition extends beyond individual achievement: to develop generations whose knowledge, character and sense of purpose contribute meaningfully to Pakistan's progress and an increasingly interconnected world.

Mr. Abid Wazir Khan
Chief Executive
KIPS Education System

A Vision for the Next Generation

Translating Vision into Everyday Excellence

7Cs SCHOOL

Managing Director's Message

At 7Cs School, our commitment is to translate a distinctive educational philosophy into meaningful learning experiences and measurable student development.

Our approach integrates academic excellence with seven core personality development traits, reinforced through 27 Learning Avenues and a structured Student Tarbiyah Program that brings values into everyday practice.

The Student Spark Committee advances leadership, collaboration and responsible participation, while KIPS LMS extends academic learning beyond the classroom.

Through academic expertise and teaching excellence, purposeful learning environments and a consistent focus on quality, we strive to develop students who demonstrate competence, character and confidence in equal measure.

This is how we translate our institutional commitment into **Making a Difference Every Day.**

Mr. Salman Maqsood
Managing Director
KIPS Education System

Vision

Transforming lives through accessible quality education for a brighter future and a better world.

Mission

To empower students for global competence and beyond through an excellence-driven, student-centered and values-based education system. Our core values and culture are the guiding principles while efficiency, innovation, technology and growth are the tools for success.

Culture

Our culture is rooted in mutual respect, driven by merit, upheld with discipline and committed to continuous improvement.

Values

- Character
- Care
- Commitment
- Competence
- Confidence
- Creativity
- Collaboration

Value-Based Education System

About 7Cs School

Value-Based Education

At 7Cs School, value-based education integrates 7 core traits—Character, Care, Commitment, Competence, Confidence, Creativity, and Collaboration—into academics and co-curricular activities. Through classroom learning, everyday interactions, and practical experiences, students develop these qualities alongside subject knowledge. This approach nurtures confident, responsible, and principled individuals who apply their learning and values in everyday life.

Equitable Quality Education

At 7Cs School, we are committed to delivering exceptional education through an equitable fee structure. Designed to balance value and quality, 7Cs School ensures that students receive a transformative learning experience that upholds our high standards of excellence.

Holistic Growth Beyond Academics

At 7Cs School, learning extends beyond the classroom through sports, creative expression, leadership avenues, and community activities. These experiences help students discover their strengths and grow into responsible individuals.

Transforming the Learning Experience

Explore 7Cs' Essence

The essence of the 7Cs framework lies in fostering traits that guide students toward holistic growth, ensuring they grow into capable, empathetic, and future-ready individuals.

1. Character

The Foundation of Integrity

At 7Cs School, we emphasize moral values, integrity, and ethical decision-making to build a strong personal identity. In a nurturing environment, we instill empathy, kindness, and respect, shaping students into compassionate, principled leaders.

Strong Personal Identity

2. Care

A Culture of Empathy

Care is embedded in every aspect of our education—encouraging kindness, responsibility, and respect for others while cultivating compassionate and socially conscious individuals.

3. Commitment

Aspirations into Achievements

We emphasize dedication and a growth mindset, enabling students to persevere toward their goals. Through resilience and consistency, they learn to overcome challenges and turn aspirations into achievements.

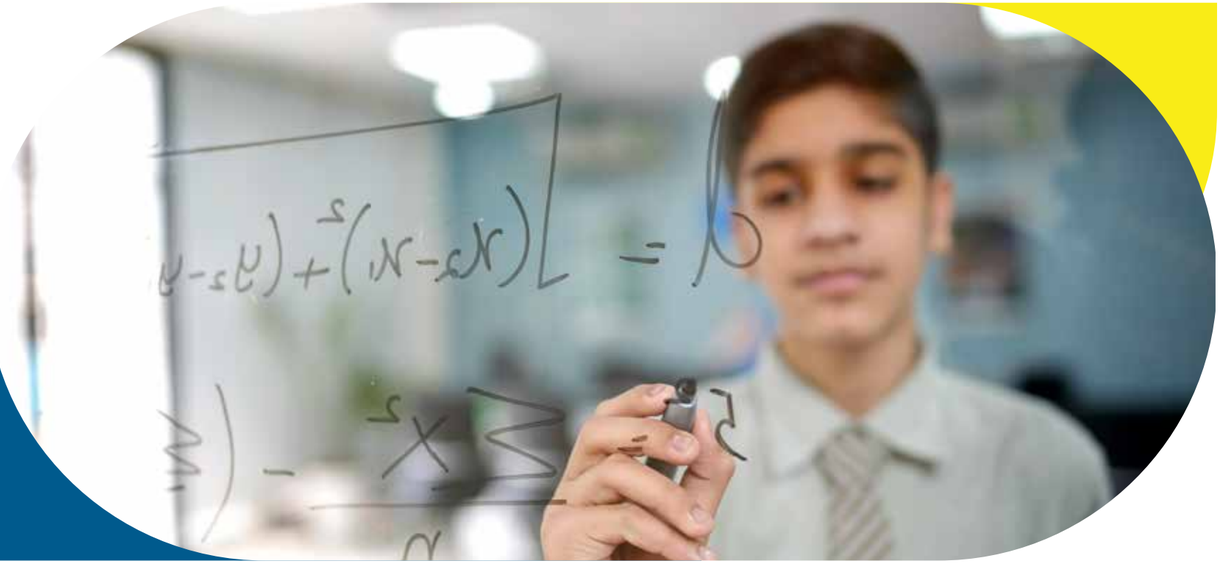

4. Competence

Academics and Beyond

Focusing on academic excellence and the development of critical skills, we ensure holistic growth. Students acquire the knowledge, attitudes, and expertise to excel.

5. Confidence

Believing in Potential

We foster confidence by celebrating achievements and building a positive self-image. Through encouragement and personalized guidance, students recognize their strengths, believe in their abilities, and express them with balance.

6. Creativity

Inspiring Innovation & Adaptability

In a rapidly evolving world, creative thinking is essential. We foster innovation and artistic expression, encouraging students to think critically, solve problems, and meet 21st-century challenges with ingenuity.

7. Collaboration

The Power of Teamwork

Collaboration builds teamwork, shared responsibility, and respect for diversity. Through group learning, students embrace differences and work toward common goals.

At 7Cs School, these seven traits are embedded in our curriculum and culture, shaping well-rounded individuals ready to lead and thrive in a changing world.

Enrichment Programme

Student Tarbiyah Programme 2.0

True education shapes both the mind and the heart. Our dedicated Student Tarbiyah Programme focuses on character development, Islamic values, ethical leadership, personal grooming, emotional intelligence, and responsible citizenship.

Through thoughtfully designed sessions and meaningful experiences, students develop integrity, empathy, discipline, gratitude, and a strong moral compass, enabling them to become principled individuals and positive contributors to society.

Parent Tarbiyah Programme

At 7Cs School, character development is a partnership between school and home. The Student Programme (STP) brings together Student Tarbiyah and Parent Tarbiyah. Each has a dedicated book and activities, with shared monthly themes that help children practise the same values, habits, and life skills at school and at home.

Through the Parent Tarbiyah Programme, families explore practical ways to reinforce these values in daily life. Our 7Cs Talks with Parents are regular, interactive sessions centred on Character, Care, Competence, Commitment, Confidence, Creativity, and Collaboration. Parents share experiences, ask questions, and discuss how the 7Cs can guide everyday choices, routines, and relationships. Their feedback helps shape future sessions around the needs of families.

Math Base Programme (MBP)

Bridging foundational gaps and strengthening conceptual understanding, the Math Base programme builds fluency, confidence, and excellence — ensuring a seamless transition across academic levels.

English Language Programme (ELP)

Designed to enhance fluency and comprehension, this programme builds strong communication, critical thinking, and confident expression through interactive lessons and real-world discussions.

Computer Certification Programme (CCP)

This programme builds practical computing skills in coding, design, and digital fluency. Through self-paced LMS tutorials and hands-on projects, students gain technological understanding, spark creativity, and become tech-savvy individuals ready for academic and digital success.

Distinctive Features

27 Learning Avenues to Develop One in a Million

Our 27 Learning Avenues, spread across four core areas, support well-rounded development for every student.

Strong Early Years Development

Engaging Learning Experiences

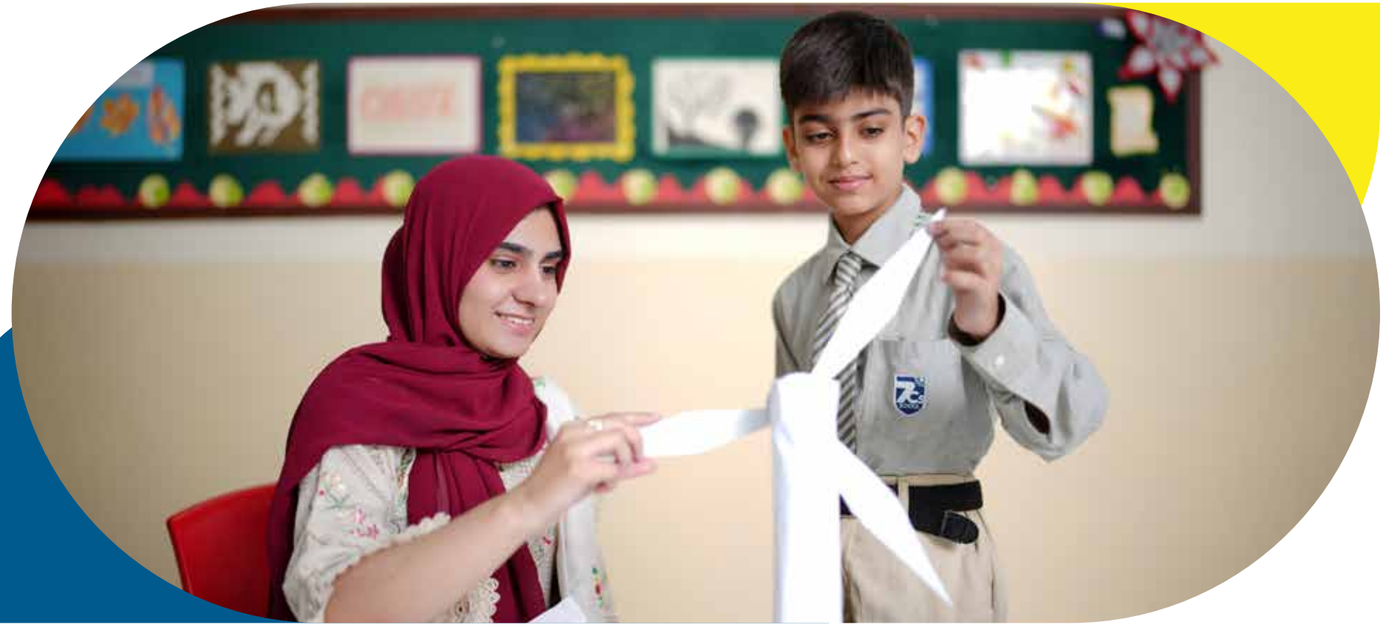

Focus on Personal Development

Continuous Improvement & Assurance

Strong Early Years Development

- Unlocking 7Cians' Full Potential with Holistic Growth
- Facilitating Every Student to Excel in a Constructive Learning Environment
- Ensuring Well-rounded Education through Dynamic and Cutting-Edge Curriculum
- Developing Deeper Understanding through Diverse Learning Activities
- Identifying Gaps in Learning and Enhancing Confidence & Skills needed to Solve Mathematical Challenges
- Overcoming Language Barriers through English Language Programme (ELP)
- Inculcating Islamic values and nurturing minds to become responsible individuals guided by faith, character, and strong moral principles
- Student Tarbiyah Programme 2.0: A value-driven framework focusing on discipline, responsibility, and ethical development

Continuous Growth

Engaging Learning Experiences

- Enhancing the Teaching–Learning Process through Centrally Developed Content
- Enriching Learning Experiences through Cohesive Curricular & Co-Curricular Programme
- ESA-based (Engage - Study - Activate) Teaching Methodology
- Promoting Unconventional Teaching
- Igniting 7Cians' Creativity with Our Integrated STEAM Approaches
- Equipping 7Cians to Become Tech-Savvy through Computer Certification Programme (CCP)
- Bridging the Gap through Virtual Learning in Digital Classrooms
- Revolutionizing the Learning Experiences through KIPS LMS (Learning Management System)

Focus on Personal Development

- Discovering & Igniting Every Child's Potential with Comprehensive Co-Curricular Framework
- Developing Confident, Capable Learners for A Bright Future through Motivational & Inspirational Sessions
- Charting 7Cians' Path to Academic Excellence through Student Care & Counseling
- Nurturing Inquisitive Minds through Practical Exploration
- Extending Learning Beyond the Classroom Through Effective Use of Activity Rooms
- Providing Endless Learning Opportunities in Well-Equipped Computer Labs

Continuous Improvement and Assurance

- Ensuring the 7Cians' authentic and meaningful progress through continuous assessments
- Inspiring and Motivating the 7Cians by Hiring Teaching Faculty with the Highest Potential
- Empowering Faculty and Staff through a 360-Degree Professional Development Program (PDP)
- Elevating Performance with Centralized Monitoring & Evaluation System
- Assuring the Quality through Mentoring & Coaching

Holistic Growth for A Future-Ready Generation

Developing Future-Ready and Well-Rounded Global Citizens

STEAM Education: Advancing Innovation

At 7Cs School, we champion STEAM education, blending Science, Technology, Engineering, Arts and Mathematics to cultivate creativity and critical thinking.

Project-Based Learning: Hands-on projects bridge theory and real-world application.
Innovative Labs: Robotics, coding, and design-thinking spaces spark curiosity.
Interdisciplinary Teaching: Merging arts with technical subjects fosters out-of-the-box thinking.

Digital Literacy for a Connected World

In today's digital age, we equip students with essential tech skills to thrive in a globalized world.

Cybersecurity Awareness: Promoting safe and responsible online behavior.
Tech-Integrated Classrooms: Smart boards, tablets, and e-learning tools enrich education.
Collaborative Platforms: Cloud tools and virtual classrooms enhance teamwork and innovation.

Exceptional Faculty: Teaching and Mentorship Excellence

Our teaching faculty are the heart of our school, delivering personalized, world-class guidance.

Professional Development: Ongoing training in modern teaching methods and technology.
Mentorship Programs: Individualized support to unlock every student's potential.
Diverse Expertise: Specialists for academics, extracurriculars, and emotional well-being.

A Constructive Learning Environment

We nurture a supportive and inclusive atmosphere that inspires growth and resilience.

Interactive Spaces: Classrooms and common areas designed for engagement and collaboration.
Emotional Well-Being: Counseling and peer-support programs ensure holistic care.
Growth Mindset Culture: Celebrating effort, resilience, and personal progress.

Subject-Based Activities: Immersive Learning Experience

Deepen understanding and spark curiosity with practical, subject-specific programs.

Workshops and Labs: Real-world simulations in physics, chemistry, economics, and more.
Skill Enhancement Activities: Language clubs, mathematics contests, and cultural events to hone specific abilities.
Integrated Arts & Sports: Ensuring a well-rounded curriculum that develops creativity and physical fitness alongside academics.

Seamless Online Learning

KIPS LMS

The KIPS Learning Management System provides students with additional academic support beyond the classroom. Its key features include:

- Extra support through study materials
- Recorded lessons for revision and concept reinforcement
- Online quizzes for Matric classes
- Extra practice material to strengthen students' understanding and preparation

Learning never stops at 7Cs School. During critical situations, our well-structured digital learning ecosystem ensured uninterrupted education through highly engaging online classes. Through the KIPS LMS, students received access to study materials, recorded lessons, online quizzes, and additional practice resources. By integrating technology with effective teaching practices, we ensure learning continuity while maintaining academic continuity and meaningful student engagement.

Powered by
KIPS LMS

Co-curricular Activities

Our diverse co-curricular programs provide students with opportunities to explore their interests and develop essential life skills. These include:

Subject Corners & Thematic Walls

Our subject corners and thematic walls create engaging spaces for exploration, discovery and hands-on learning. Designed to spark curiosity and deepen understanding, these interactive environments encourage students to connect concepts, explore ideas and develop a lasting interest in different fields of knowledge.

Sports Houses

Our Sports House System promotes teamwork, resilience, discipline, healthy competition, and school spirit. Four distinct sports houses have been established at 7Cs School:

- Sir Syed House
- Iqbal House
- Jinnah House
- Liaqat House

Through this system, students develop a strong sense of belonging and pride as they represent their respective houses in sports, competitions, and school events.

Each house is led by elected House Captains and Vice Captains, selected through a transparent electoral process involving voting by the school community. This democratic practice strengthens student voice, leadership, responsibility, and confidence. By participating in inter-house competitions and collaborative activities, students learn sportsmanship, teamwork, respect, discipline, and the true spirit of healthy competition.

7Cs Students Spark Committee Leadership in Action

The Committee gives students a voice and an opportunity to turn the school's values into action. Led by a President and Vice President, with student leaders representing 7 key areas, the committee encourages initiative, teamwork, and service. By representing their peers and contributing to school life, students learn to lead with confidence, integrity, and responsibility.

Community Engagement

- Green Pakistan and Cleanliness Drives
- Theatre for Change
- Environmental Awareness Activities

Recreational & Social Activities

- Recreational Trips
- Farewell Parties
- National and International Competitions Participation Opportunities

Skill & Team Building

- My Commitment Graph
- Collaborator of the Year Award (Student/Teacher)
- Classroom of the Year Award
- Sports Fests

Odyssey of Excellence

Odyssey of Excellence is 7Cs School's flagship celebration of academic achievement, uniting students from across its schools on one stage. Alongside recognizing outstanding performance, it gives 7Cians a platform to express ideas through compelling, value-driven presentations and performances. The celebration brings the 7 core traits to life, recognizing students for both what they achieve and the individuals they are becoming.

Assessment

Assessments at 7Cs School measure progress across academics and the seven core traits—Character, Care, Commitment, Competence, Confidence, Creativity, and Collaboration. Using both formative and summative methods, we evaluate understanding, skill application, and personal growth.

These include project-based evaluations, peer assessments, self-reflections, and traditional tests, offering a comprehensive view of each student's development. This balanced approach keeps assessments meaningful, growth-focused, and aligned with our mission to nurture well-rounded, capable individuals.

Continuous Evaluation

The 7Cians Reflection

A 7Cian embodies the seven core traits of 7Cs School:

- Characterful
- Caring
- Committed
- Competent
- Confident
- Creative
- Collaborative

Guided by integrity, empathy, and excellence, they think innovatively, value teamwork, and embrace diversity, growing into well-rounded individuals ready to lead and inspire.

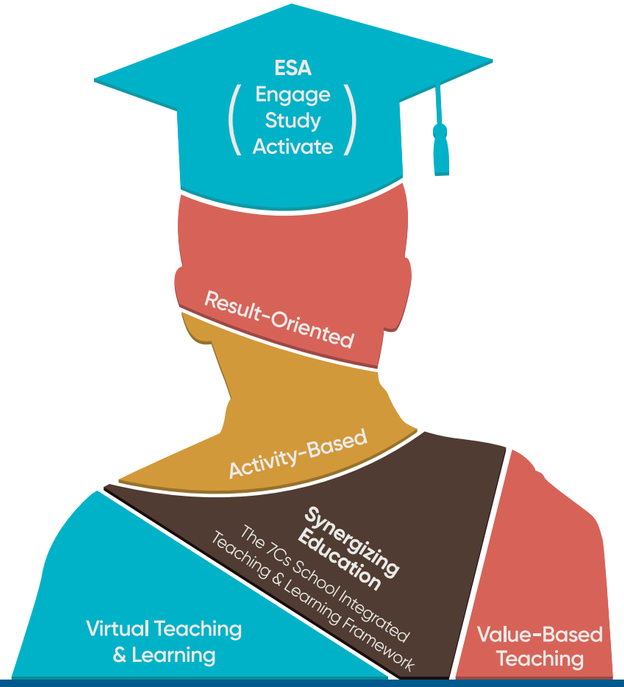

Inculcating 7 Core Personality Traits

Curriculum Features

- Progressive
- Sequential
- Aligned with Single National Curriculum
- Meets the Challenges of the 21st-Century
- Integrated with a STEAM Approach

TEACHING METHODOLOGY

Mentoring and Nurturing

At 7Cs School, our teaching faculty are mentors and nurturers who inspire students to reach their full potential. The school environment is designed for holistic growth-combining IT literacy, language proficiency, academic excellence, subject immersion, character development, and mentorship-to create a space where students flourish and realize their dreams.

Profile of a 7Cs Teacher

- Forward-thinker
- Caring
- Creative
- Role model
- True professional
- Collaborator
- Strategic Planner
- Passionate
- Empathetic
- Proficient
- Self-assured
- Talent and Potential Developer

Quality Through Professional Excellence

Exceptional Teaching Shapes Exceptional Learners.
At 7Cs School, faculty excellence is strengthened through continuous professional development, structured training programs, and recognized certifications. Our highly qualified teachers have completed Google Certifications and participated in various in-house and external professional development programmes designed to enhance their digital competence, teaching skills, classroom practices, and professional growth.

Equipped with modern pedagogical practices and 21st-century teaching methodologies, our teaching faculty create engaging, innovative, and learner-centered classrooms that inspire students to achieve excellence.

As part of our commitment to personal and professional growth, John C. Maxwell's Transformation Tables sessions were conducted across campuses to strengthen teachers' leadership qualities, positive values, effective communication skills and a growth-oriented mindset.

Guiding Principles Professional Mindset

Parent Partnership

We believe that meaningful education flourishes through strong home-school collaboration. Our transparent communication, structured engagement, and responsive support have enabled us to achieve positive feedback from parents. By building trusting relationships with families, we create a unified learning environment that supports every child's academic, emotional, and personal growth.

Parents' Testimonials

Choosing 7Cs School has been one of the best decisions for our family. The school combines quality education with strong Islamic values, helping children become confident, respectful, and lifelong learners. We truly appreciate the dedication of the entire 7Cs team.

Mehwish, Mother of Hamdan Ahmed Nursery

7Cs School has provided our children with a caring environment that promotes academic excellence. We are grateful to see our children grow with confidence, good character, and a genuine love for learning every day.

Parents of Mominah Haseeb Grade 9 & Fatima Haseeb Grade 4

7Cs School provides quality education, dedicated teachers, and strong values, empowering students with knowledge, confidence, and skills for success.

Noor Jawad, Mother of Ritaj Jawad Grade 8

7Cs School is where young minds grow with knowledge, character, and care. At 7Cs School, education goes beyond books. It builds confidence, discipline, and a love for learning. The school has given my children the perfect blend of learning and values.

Loviza Konain, Mother of Haaziq Grade 6 & Oraiba Grade 3

7Cs School has been a wonderful blessing for our family. The excellent academic support combined with strong Islamic values and character building has helped our son grow confidently and joyfully. We are deeply grateful to the dedicated team at 7Cs by KIPS GR Campus for creating such a nurturing learning environment.

Mamoo of Muhammad Zohaan

7Cs teaches and guides our children how to explore the realities, information and beauties of 7 Skies, 7 Layers of Earth, 7 Continents, 7 Seas and 7 Wonders of Earth under the supervision and collaboration of KIPS Management and respected Principal Asia Qayyum.
May Allah Almighty bless 7Cs students continued twinkling with the highest achievements and successes in the field of education Aamin Sum Aamin.

School-wide Code of Conduct

- **Respect and Courtesy:**
  School Community: Treat all members of the school community with respect, kindness and courtesy.
  Teachers and Peers: Demonstrate respect towards teachers and fellow students, contributing to a positive and conducive learning environment.
- **Punctuality and Attendance:** Be punctual for all classes and school events, maintain regular attendance and notifying teachers or the school office in case of absence.
- **Uniform Compliance:** Adhere to the school's uniform policy, presenting oneself in a neat and tidy manner.
- **Responsible Technology Use:** Use electronic devices responsibly and in accordance with school policies.
- **Environment Responsibility:** Contribute to the cleanliness and maintenance of the school environment, avoiding damage to school property.
- **Homework and Assignment Completion:** Complete assigned homework and classwork promptly and to the best of one's ability.
- **Quiet and Focused Learning:** Maintain a quiet and focused environment during lessons to facilitate effective learning.
- **Organization and Preparedness:** Come to class with all necessary materials, prepared for the day's lessons.
- **Safe and Responsible Conduct:** Ensure personal safety and the safety of others by following safety guidelines and procedures.

The 7Cs School Student Code of Conduct serves as a guideline for students to cultivate a positive, respectful, and disciplined learning environment within the school and individual classrooms.

Adherence to these principles contributes to the overall well-being and success of each student and the school community as a whole.

Behaviour Expectations

Policies
